CONSENT ORDER

The Comptroller of the Currency of the United States of America (“Comptroller”), through his national bank examiners and other staff of the Office of the Comptroller of the Currency (“OCC”), has conducted an examination of U.S. Bank National Association, Cincinnati, OH (“U.S. Bank” or “Bank”) and U.S. Bank National Association ND, Fargo, North Dakota, which was merged into U.S. Bank on May 13, 2013 (collectively, “Banks”). The OCC has identified deficiencies in the Banks’ practices that resulted in a violation of Section 5 of the Federal Trade Commission Act (“FTC Act”), 15 U.S.C. § 45(a)(1), related to billing practices with regard to identity protection products, and has informed the Bank of the findings resulting from the examination.

The Bank, by and through its duly elected and acting Board of Directors (“Board”), has executed a Stipulation and Consent to the Issuance of a Consent Order, dated September 24, 2014, that is accepted by the Comptroller (“Stipulation”). By this Stipulation, which is incorporated herein by reference, the Bank has consented to the issuance of this Consent Cease and Desist Order (“Order”) by the Comptroller. The Bank has begun to take corrective action, and is committed to taking all necessary and appropriate steps to remedy the deficiencies and violation of law identified by the OCC.

ARTICLE I

COMPTROLLER'S FINDINGS

The Comptroller finds, and the Bank neither admits nor denies, the following:

(1) From February 2003 to February 2012, one or both Banks, pursuant to a contract, marketed identity protection products to the customers of the Banks on behalf of a third-party, Affinion Group, and its subsidiary, Trilegiant Corporation. The identity protection products included credit monitoring and credit report retrieval services.

(2) The Banks' customers who enrolled in the identity protection products were required to provide sufficient personal verification information or authorization before their credit bureau reports could be accessed. Customers of the identity protection products were provided the materials necessary to submit this information or authorization. Customers could not receive the credit monitoring and/or credit report retrieval services of the identity protection product in which he or she was enrolled until the information or authorization was submitted. For some customers, additional identifying information was needed in order for the third party to access the correct credit bureau reports at one or more credit bureaus related to the identity protection product customers.

(3) From February 2003 to August 2012, the third party billed identity protection product customers who were not receiving credit monitoring and/or credit report retrieval services for the full fee of the product, even though those customers were not receiving all of the credit monitoring and/or credit report retrieval services of the product.

(4) From February 2003 to August 2012, one or both Banks received a substantial portion of the fees paid by customers of the Banks for the identity protection products sold by the

third party, including fees paid by customers of the Banks who were not receiving the credit monitoring and/or credit report retrieval services.

(5) By reason of the foregoing billing practices for the identity protection products as described in Paragraphs (1) to (3) of this Article, the Banks engaged in unfair practices in violation of Section 5 of the FTC Act, 15 U.S.C. § 45(a)(1).

(6) The Banks' violation of Section 5 of the FTC Act caused substantial consumer injury or was likely to cause substantial consumer injury.

(7) The Banks' violation of Section 5 of the FTC Act are part of a pattern of misconduct that resulted in financial gain to the Banks.

(8) Pursuant to the authority vested in him by the Federal Deposit Insurance Act, as amended, 12 U.S.C. § 1818(b), the Comptroller hereby ORDERS that:

ARTICLE II

COMPLIANCE COMMITTEE

(1) The Board shall appoint and maintain an active Compliance Committee of at least three directors that shall be responsible for monitoring and overseeing the Bank's compliance with the provisions of this Order. The Compliance Committee shall maintain minutes of its meetings at which compliance with this Order is discussed.

(2) Within one hundred twenty (120) days of the effective date of this Order, and thereafter within thirty (30) days after the end of each quarter, the Compliance Committee shall submit a written progress report to the Board setting forth in detail the actions taken to comply with each Article of this Order, and the results and status of those actions.

(3) Upon receiving the Compliance Committee's report, the Board shall forward a copy of the report, with any additional comments by the Board, to the Deputy Comptroller for

Large Bank Supervision (“Deputy Comptroller”) and the Examiner-in-Charge within ten (10) days of the first Board meeting following receipt of such report, unless additional time is granted by the Examiner-in-Charge through a written determination of no supervisory objection.

ARTICLE III

COMPREHENSIVE ACTION PLAN

(1) Within ninety (90) days of this Order, the Bank shall submit to the Deputy Comptroller and Examiner-in-Charge, for review and written determination of no supervisory objection by the Deputy Comptroller, an acceptable plan containing a complete description of the actions that are necessary and appropriate to achieve compliance with Articles IV through VII of this Order (“Action Plan”). In the event the Deputy Comptroller asks the Bank to revise the Action Plan, the Bank shall promptly make necessary and appropriate revisions and resubmit the Action Plan to the Deputy Comptroller and Examiner-in-Charge for review and determination of no supervisory objection by the Deputy Comptroller.

(2) The Action Plan shall specify timelines for completion of each of the requirements of Articles IV through VII of this Order. The timelines in the Action Plan shall be consistent with any deadlines set forth in this Order, unless modified by written agreement with the Deputy Comptroller.

(3) Upon receiving written notice of no supervisory objection from the Deputy Comptroller, the Board shall ensure that the Bank implements and thereafter adheres to the Action Plan. Following implementation of the Action Plan, the Bank shall not take any action that will cause a significant deviation from, or material change to the Action Plan, unless and until the Bank has received a prior written determination of no supervisory objection from the Deputy Comptroller.

(4) The Board shall ensure that the Bank achieves and thereafter maintains compliance with this Order, including, without limitation, successful implementation of the Action Plan. The Board shall further ensure that, upon implementation of the Action Plan, the Bank achieves and maintains a program to comply with Section 5 of the FTC Act, and its implementing regulations with respect to Third Parties as defined in Article VII(1). In each instance in this Order in which the Board is required to ensure adherence to or undertake to perform certain obligations of the Bank, it is intended to mean that the Board shall:

- (a) Require timely reporting by Bank management of such actions directed by the Board to be taken under this Order;
- (b) Follow-up on any non-compliance with such actions in a timely and appropriate manner; and
- (c) Require corrective action be taken in a timely manner for any non-compliance with such actions.

(2) Within ninety (90) days of this Order, the Bank shall submit its Board-approved written policy governing the management of Third Parties (“Third-Party Management Policy”) to the Examiner-in-Charge for prior determination of no supervisory objection. At a minimum, the Third-Party Management Policy shall require:

ARTICLE IX

OTHER PROVISIONS

(1) Although this Order requires the Bank to submit certain actions, plans, programs, and policies for the review or prior written determination of no supervisory objection by the Deputy Comptroller or the Examiner-in-Charge, the Board has the ultimate responsibility for proper and sound management of the Bank.

(2) If, at any time, the Comptroller deems it appropriate in fulfilling the responsibilities placed upon him by the several laws of the United States to undertake any action affecting the Bank, nothing in this Order shall in any way inhibit, estop, bar, or otherwise prevent the Comptroller from so doing.

(3) This Order constitutes a settlement of the cease and desist proceeding against the Bank contemplated by the Comptroller, based on the practices and violation of law described in the Comptroller's Findings set forth in Article I of this Order. The OCC releases and discharges the Bank from all potential liability for a cease and desist order that has been or might have been asserted by the OCC based on the practices and violation described in the Comptroller's Findings set forth in Article I of the Order, to the extent known to the OCC as of the effective date of the Order. Provided, however, that nothing in the Stipulation or this Order shall prevent the Comptroller from instituting other enforcement actions against the Bank or any of its institution-affiliated parties based on the findings set forth in this Order, or any other findings, and nothing in the Stipulation or this Order shall preclude or affect any right of the OCC to determine and ensure compliance with the terms and provisions of the Stipulation or this Order.

(4) This Order is and shall become effective upon its execution by the Comptroller, through his authorized representative whose hand appears below. The Order shall remain effective and enforceable, except to the extent that, and until such time as, any provision of this Order shall be amended, suspended, waived, or terminated in writing by the Comptroller or his authorized representative.

(5) Any time limitations imposed by this Order shall begin to run from the effective date of this Order, as shown below, unless the Order specifies otherwise. The time limitations may be extended in writing by the Deputy Comptroller for good cause upon written application by the Board. Any request to extend any time limitation shall include a statement setting forth in detail the special circumstances that prevent the Bank from complying with the time limitation, and shall be accompanied by relevant supporting documentation. The Deputy Comptroller's decision regarding the request is final and not subject to further review.

(6) The terms and provisions of this Order apply to the Bank and its subsidiaries, even though those subsidiaries are not named as parties to this Order. The Bank shall integrate any activities done by a subsidiary into its plans, policies, programs, and processes required by this Order. The Bank shall ensure that its subsidiaries comply with all terms and provisions of this Order.

(7) This Order is intended to be, and shall be construed to be, a final order issued pursuant to 12 U.S.C. § 1818(b), and expressly does not form, and may not be construed to form, a contract binding the Comptroller or the United States. Without limiting the foregoing, nothing in this Order shall affect any action against the Bank or its institution-affiliated parties by a bank regulatory agency, the United States Department of Justice, or any other law enforcement agency.

(8) The terms of this Order, including this paragraph, are not subject to amendment or modification by any extraneous expression, prior agreements, or prior arrangements between the parties, whether oral or written.

IT IS SO ORDERED, this 24th day of September, 2014.

**STIPULATION AND CONSENT TO THE ISSUANCE
OF A CONSENT ORDER**

WHEREAS, the Comptroller of the Currency of the United States of America (“Comptroller”), based upon information derived from the exercise of his regulatory and supervisory responsibilities, intends to issue a cease and desist order to U.S. Bank, National Association, Cincinnati, Ohio (“Bank”), pursuant to 12 U.S.C. § 1818(b), for the violation of Section 5 of the Federal Trade Commission Act, 15 U.S.C. § 45(a)(1) by the Bank and by U.S. Bank National Association ND, Fargo, North Dakota, which was merged into U.S. Bank on May 13, 2013 (collectively, “Banks”), related to billing practices with regard to identity theft protection products;

WHEREAS, in the interest of cooperation and to avoid additional costs associated with administrative and judicial proceedings with respect to the above matter, the Bank, through its duly elected and acting Board of Directors (the “Board”), has agreed to execute this Stipulation and Consent to the Issuance of a Consent Order (“Stipulation”), that is accepted by the Comptroller, through his duly authorized representative;

NOW, THEREFORE, in consideration of the above premises, it is stipulated by the Bank that:

ARTICLE II

CONSENT

(1) The Bank, without admitting or denying any wrongdoing, consents and agrees to issuance of the accompanying Consent Order by the Comptroller.

(2) The terms and provisions of the Consent Order apply to U.S. Bank, National Association and all of its subsidiaries, even though those subsidiaries are not named as parties to the Consent Order.

(3) The Bank consents and agrees that the Consent Order shall be deemed an “order issued with the consent of the depository institution” pursuant to 12 U.S.C. § 1818(h)(2), and consents and agrees that the Consent Order shall become effective upon its execution by the Comptroller through his authorized representative, and shall be fully enforceable by the Comptroller pursuant to 12 U.S.C. § 1818(i).

(4) Notwithstanding the absence of mutuality of obligation, or of consideration, or of a contract, the Comptroller may enforce any of the commitments or obligations herein undertaken by the Bank under his supervisory powers, including 12 U.S.C. § 1818(b), and not as

a matter of contract law. The Bank expressly acknowledges that neither the Bank nor the Comptroller has any intention to enter into a contract.

The practices and violation described in Article I of the Consent Order may be utilized by the Comptroller in other future enforcement actions against the Bank or its institution-affiliated parties, including, without limitation, to establish a pattern or practice of violations or unsafe or unsound practices or the

continuation of a pattern or practice of violations or unsafe or unsound practices. This release shall not preclude or affect any right of the Comptroller to determine and ensure compliance with the terms and provisions of this Stipulation or the Consent Order.

ARTICLE III
