#### LOAN PORTFOLIO MANAGEMENT

(1) The Board shall, within ninety (90) days, develop, implement, and thereafter ensure Bank adherence to a written program to improve the Bank's loan portfolio management.

The program shall include, but not be limited to:

- (a) procedures to strengthen credit underwriting;
- (b) procedures to ensure that extensions of credit are granted, by renewal or otherwise, to any borrower only after obtaining and analyzing current and satisfactory credit information;
- (c) procedures to ensure conformance with loan approval requirements;
- (d) a system to track and analyze exceptions;
- (e) procedures to ensure the accuracy of internal management information systems; and

(2) Upon completion, a copy of the program shall be forwarded to the Assistant Deputy Comptroller.

(3) Within ninety (90) days, the Board shall develop, implement, and thereafter ensure Bank adherence to systems which provide for effective monitoring of:

- (a) early problem loan identification to assure the timely identification and rating of loans and leases based on lending officer submissions;

- (b) the identification and amount of delinquent loans and leases;
- (c) the identification and status of credit related violations of law, rule or regulation;

This policy shall incorporate, but not necessarily be limited to, the following:

- (a) a description of acceptable types of loans;
- (b) a provision that current and satisfactory credit information will be obtained on each borrower;

(2) Within sixty (60) days, the Board shall adopt, implement, and thereafter ensure Bank adherence to a written program designed to eliminate the basis of criticism of assets criticized in the ROE, in any subsequent Report of Examination, or by any internal or external loan review, or in any list provided to management by the National Bank Examiners during any examination as "doubtful," "substandard," or "special mention." criticized in the ROE, in any subsequent Report of Examination, in any internal or external loan review, or in any list provided to management by the National Bank Examiners during any examination and whose aggregate loans or other extensions exceed twenty five thousand dollars (\$25,000) only if each of the following conditions is met:

- (a) the Board or designated committee finds that the extension of additional credit is necessary to promote the best interests of the Bank and that prior to renewing, extending or capitalizing any additional credit, a majority of the full Board (or designated committee) approves the credit extension and records, in writing, why such extension is necessary to promote the best interests of the Bank; and
- (b) a comparison to the written program adopted pursuant to this Article shows that the Board's formal plan to collect or strengthen the criticized asset will not be compromised.

(8) A copy of the approval of the Board or of the designated committee shall be maintained in the file of the affected borrower.

### CLOSING

(1) Although the Board has agreed to submit certain programs and reports to the Assistant Deputy Comptroller for review or approval, the Board has the ultimate responsibility for proper and sound management of the Bank.

(2) It is expressly and clearly understood that if, at any time, the Comptroller deems it appropriate in fulfilling the responsibilities placed upon him by the several laws of the United States of America to undertake any action affecting the Bank, nothing in this Agreement shall in any way inhibit, estop, bar, or otherwise prevent the Comptroller from so doing.

(3) Any time limitations imposed by this Agreement shall begin to run from the effective date of this Agreement. Such time requirements may be extended in writing by the Assistant Deputy Comptroller for good cause upon written application by the Board.

(4) The provisions of this Agreement shall be effective upon execution by the parties hereto and its provisions shall continue in full force and effect unless or until such provisions are amended in writing by mutual consent of the parties to the Agreement or excepted, waived, or terminated in writing by the Comptroller.

Notwithstanding the absence of mutuality of obligation, or of consideration, or of a contract, the OCC may enforce any of the commitments or obligations herein undertaken by the Bank under its supervisory powers, including 12 U.S.C. § 1818(b)(1), and not as a matter of contract law. The Bank expressly acknowledges that neither the Bank nor

the OCC has any intention to enter into a contract. The Bank also expressly acknowledges that no OCC officer or employee has statutory or other authority to bind the United States, the U.S. Treasury Department, the OCC, or any other federal bank regulatory agency or entity, or any officer or employee of any of those entities to a contract affecting the OCC's exercise of its supervisory responsibilities. The terms of this Agreement, including this paragraph, are not subject to amendment or modification by any extraneous expression, prior agreements or arrangements, or negotiations between the parties, whether oral or written.
