(2) Any written requests submitted pursuant to this Article shall include a statement setting forth in detail the special circumstances that prevent the Bank from complying with any provision, that require the Assistant Deputy Comptroller to exempt the Bank from any provision, or that require an extension of any timeframe within this Agreement. All such requests shall be accompanied by relevant supporting documentation.

(3) The Assistant Deputy Comptroller's decision in granting the request is final and not subject to further review.

ARTICLE XIII

CLOSING

(1) Although the Board has agreed to submit certain programs and reports to the Assistant Deputy Comptroller for review or prior determination of no supervisory objection, the Board has the ultimate responsibility for proper and sound management of the Bank.

(2) It is expressly and clearly understood that if, at any time, the Comptroller deems it appropriate in fulfilling the responsibilities placed upon him by the several laws of the United States of America to undertake any action affecting the Bank, nothing in this Agreement shall in any way inhibit, estop, bar, or otherwise prevent the Comptroller from so doing.

(3) Any time limitations imposed by this Agreement shall begin to run from the effective date of this Agreement. Such time requirements may be extended in writing by the Assistant Deputy Comptroller for good cause upon written application by the Board.

(4) The provisions of this Agreement shall be effective upon execution by the parties hereto and its provisions shall continue in full force and effect unless or until such provisions are amended in writing by mutual consent of the parties to the Agreement or excepted, waived, or terminated in writing by the Comptroller.

(5) In each instance in this Agreement in which the Board is required to ensure adherence to, and undertake to perform certain obligations of the Bank, it is intended to mean that the Board shall:

- (c) follow-up on any non-compliance with such actions in a timely and appropriate manner; and
- (d) require corrective action be taken in a timely manner of any non-compliance with such actions.

(6) This Agreement is intended to be, and shall be construed to be, a supervisory “written agreement entered into with the agency” as contemplated by 12 U.S.C. § 1818(b)(1), and expressly does not form, and may not be construed to form, a contract binding on the OCC

or the United States. Notwithstanding the absence of mutuality of obligation, or of consideration, or of a contract, the OCC may enforce any of the commitments or obligations herein undertaken by the Bank under its supervisory powers, including 12 U.S.C. § 1818(b)(1), and not as a matter of contract law. The Bank expressly acknowledges that neither the Bank nor the OCC has any intention to enter into a contract. The Bank also expressly acknowledges that no OCC officer or employee has statutory or other authority to bind the United States, the U.S. Treasury Department, the OCC, or any other federal bank regulatory agency or entity, or any officer or employee of any of those entities to a contract affecting the OCC's exercise of its supervisory responsibilities. The terms of this Agreement, including this paragraph, are not subject to amendment or modification by any extraneous expression, prior agreements or prior arrangements between the parties, whether oral or written.
