AGREEMENT BY AND BETWEEN
Landmark Community Bank, National Association
Isanti, Minnesota
and
The Comptroller of the Currency

Landmark Community Bank, National Association, Isanti, Minnesota (“Bank”) and the Comptroller of the Currency of the United States of America (“Comptroller”) wish to protect the interests of the depositors, other customers, and shareholders of the Bank, and, toward that end, wish the Bank to operate safely and soundly and in accordance with all applicable laws, rules and regulations.

The Comptroller has found unsafe and unsound banking practices relating to loan administration at the Bank. Furthermore, the Bank’s failure to correct asset quality deficiencies identified at its last examination has resulted in the OCC deeming the bank to be engaging in unsafe or unsound practices, pursuant to 12 U.S.C. § 1818(b)(8).

In consideration of the above premises, it is agreed, between the Bank, by and through its duly elected and acting Board of Directors (“Board”), and the Comptroller, through his authorized representative, that the Bank shall operate at all times in compliance with the articles of this Agreement.

(3) This Agreement shall be construed to be a “formal written agreement” within the meaning of 12 C.F.R. § 5.51(c)(6)(ii). See 12 U.S.C. § 1831i.

(4) This Agreement shall be construed to be a “written agreement” within the meaning of 12 U.S.C. § 1818(u)(1)(A).

(5) This Agreement shall cause the Bank to be designated as in “troubled condition,” as set forth in 12 C.F.R. § 5.51(c)(6), unless otherwise informed in writing by the Comptroller. In addition, this Agreement shall cause the Bank not to be designated as an “eligible bank” for purposes of 12 C.F.R. § 5.3(g), unless otherwise informed in writing by the Comptroller.

ARTICLE II

NEW SENIOR LOAN OFFICER

(1) Within ninety (90) days, the Board shall appoint a new, capable senior lending officer (SLO) who shall be vested with sufficient executive authority to fulfill the duties and responsibilities of the position and ensure the safe and sound operation of the Bank.

(2) Prior to the appointment of any individual to the SLO position, the Board shall submit to the Assistant Deputy Comptroller the following information:

- (a) the information sought in the “Changes in Directors and Senior Executive Officers” and “Background Investigations” booklets of the Comptroller’s Licensing Manual, together with a legible fingerprint card for the proposed individual;
- (b) a written statement of the Board's reasons for selecting the proposed officer; and
- (c) a written description of the proposed officer's duties and responsibilities.

(3) The Assistant Deputy Comptroller shall have the power to disapprove the appointment of the proposed new senior executive officer. However, the lack of disapproval of such individual shall not constitute an approval or endorsement of the proposed officer.

(4) The requirement to submit information and the prior disapproval provisions of this Article are based on the authority of 12 U.S.C. § 1818(b) and do not require the Comptroller or the Assistant Deputy Comptroller to complete his/her review and act on any such information or authority within ninety (90) days.

ARTICLE III

INTERNAL LOAN REVIEW

(1) Within sixty (60) days, the Board shall establish an effective, independent and on-going loan review system to review, at least quarterly, the Bank's loan and lease portfolios to assure the timely identification and categorization of problem credits. The system shall provide for a written report to be filed with the Board after each review and shall use a loan and lease grading system consistent with the guidelines set forth in “Rating Credit Risk” and “Allowance for Loan and Lease Losses” booklets of the Comptroller’s Handbook. Such reports shall include, at a minimum, conclusions regarding:

- (a) the identification, type, rating, and amount of problem loans and leases;
- (b) the identification and amount of delinquent and nonaccrual loans and leases;
- (c) credit and collateral documentation exceptions;
- (d) the identification and status of credit related violations of law, rule or regulation;
- (e) the identity of the loan officer who originated each loan reported in accordance with subparagraphs (b) through (e) of the Article;
- (f) concentrations of credit;
- (g) loans and leases not in conformance with the Bank's lending and leasing policies, and exceptions to the Bank's lending and leasing policies.

(2) A written description of the program called for in this Article shall be forwarded to the Assistant Deputy Comptroller upon implementation.

(3) The Board shall ensure that the Bank has processes, personnel, and control systems to ensure implementation of and adherence to the program developed pursuant to this Article.

(4) The Board shall evaluate the internal loan and lease review report(s) and shall ensure that immediate, adequate, and continuing remedial action, if appropriate, is taken upon all findings noted in the report(s).

(5) A copy of the reports submitted to the Board, as well as documentation of the action taken by the Bank to collect or strengthen assets identified as problem credits, shall be preserved in the Bank.

ARTICLE IV

CRITICIZED ASSETS

(1) The Bank shall take immediate and continuing action to protect its interest in those assets criticized in the ROE, in any subsequent Report of Examination, by internal or external loan review, or in any list provided to management by the National Bank Examiners during any examination.

(2) Within sixty (60) days, the Board shall adopt, implement, and thereafter ensure Bank adherence to a written program designed to eliminate the basis of criticism of assets criticized in the ROE, in any subsequent Report of Examination, or by any internal or external loan review, or in any list provided to management by the National Bank Examiners during any examination as "doubtful," "substandard," or "special mention." This program shall include, at a minimum, with respect to each criticized asset:

- (a) an identification of the expected sources of repayment;
- (b) the current value of supporting collateral and the position of the Bank's lien on such collateral where applicable;
- (c) an analysis of current and satisfactory credit information, including cash flow analysis where loans are to be repaid from operations; and
- (d) the proposed action to eliminate the basis of criticism and the time frame for its accomplishment.

(3) Upon adoption, a copy of each criticized asset report for each criticized asset equal to or exceeding one hundred thousand dollars (\$100,000) shall be forwarded to the Assistant Deputy Comptroller (in a format similar to Appendix A, attached hereto).

(4) The Board shall ensure that the Bank has processes, personnel, and control systems to ensure implementation of and adherence to the program developed pursuant to this Article.

(5) The Board, or a designated committee, shall conduct a review, on at least a quarterly basis, to determine:

- (a) the status of each criticized asset or criticized portion thereof that equals or exceeds one hundred thousand dollars (\$100,000);
- (b) management's adherence to the program adopted pursuant to this Article;
- (c) the status and effectiveness of the written program; and
- (d) the need to revise the program or take alternative action.

(6) A copy of each review conducted pursuant to paragraph (5) of this Article shall be forwarded to the Assistant Deputy Comptroller on a quarterly basis (in a format similar to Appendix A, attached hereto).

(7) The Bank may extend credit, directly or indirectly, including renewals, extensions or capitalization of accrued interest, to a borrower whose loans or other extensions of credit are criticized in the ROE, in any subsequent Report of Examination, in any internal or external loan review, or in any list provided to management by the National Bank Examiners during any examination and whose aggregate loans or other extensions exceed one hundred thousand dollars (\$100,000) only if each of the following conditions is met:

- (a) the Board or designated committee finds that the extension of additional credit is necessary to promote the best interests of the Bank and that prior to renewing, extending or capitalizing any additional credit, a majority of the full Board (or designated committee) approves the credit extension and

records, in writing, why such extension is necessary to promote the best interests of the Bank; and

- (b) a comparison to the written program adopted pursuant to this Article shows that the Board's formal plan to collect or strengthen the criticized asset will not be compromised.

(8) A copy of the approval of the Board or of the designated committee shall be maintained in the file of the affected borrower.

ARTICLE V

CREDIT AND COLLATERAL DOCUMENTATION

(1) Effective immediately, the Bank may grant, extend, renew, alter or restructure any loan or other extension of credit, including loan participations, only after:

- (a) documenting the specific reason or purpose for the extension of credit;
- (b) identifying the expected source of repayment in writing;
- (c) structuring the repayment terms to coincide with the expected source of repayment;
- (d) obtaining and analyzing current and satisfactory credit information, including cash flow analysis, where loans are to be repaid from operations;
 - (i) Failure to obtain the information in (1)(d) shall require a majority of the full Board (or a delegated committee thereof) to certify in writing the specific reasons why obtaining and analyzing the information in (1)(d) would be detrimental to the best interests of the Bank.

- (ii) A copy of the Board certification shall be maintained in the credit file of the affected borrower(s). The certification will be reviewed by this Office in subsequent examinations of the Bank; and
- (e) documenting, with adequate supporting material, the value of collateral and properly perfecting the Bank's lien on it where applicable.

ARTICLE VI

ALLOWANCE FOR LOAN AND LEASE LOSSES

(1) The Board shall review the adequacy of the Bank's Allowance for Loan and Lease Losses (“Allowance”) and shall establish a program for the maintenance of an adequate Allowance. This review and program shall be designed in light of the guidance on maintaining a proper Allowance found in the “Interagency Policy Statement on the Allowance for Loan and Lease Losses” in OCC Bulletin 2006-47 dated December 13, 2006, and at a minimum shall include:

- (a) procedures detailing the selection process for loans considered impaired and procedures detailing how the amount of impairment for those loans will be measured, consistent with FASB Statement of Financial Accounting Standards Number 114, Accounting by Creditors for Impairment of a Loan;
- (b) procedures for segmenting the loan portfolio and estimating loss on groups of loans, consistent with FASB Statement of Financial Accounting Standards Number 5, Accounting for Contingencies; and
- (c) procedures for validating the ALLL methodology.

(2) The program shall provide for a review of the Allowance by the Board at least once each calendar quarter. Any deficiency in the Allowance shall be remedied in the quarter it is discovered, prior to the filing of the Consolidated Reports of Condition and Income, by additional provisions from earnings. Written documentation shall be maintained indicating the factors considered and conclusions reached by the Board in determining the adequacy of the Allowance.

(3) The Board shall ensure that the Bank has processes, personnel, and control systems to ensure implementation of and adherence to the program developed pursuant to this Article.

ARTICLE VII

HIGHER CAPITAL MINIMUMS

(1) The Bank shall achieve by September 30, 2008 and thereafter maintain the following capital levels (as defined in 12 C.F.R. Part 3):

(a) Tier 1 capital at least equal to eleven percent (11%) of risk-weighted assets;

(b) Tier 1 capital at least equal to nine percent (9%) of adjusted total assets.¹

(2) The requirement in this Agreement to meet and maintain a specific capital level means that the Bank may not be deemed to be “well capitalized” for purposes of 12 U.S.C. § 1831o and 12 C.F.R. Part 6 pursuant to 12 C.F.R. § 6.4(b)(1)(iv).

¹ Adjusted total assets is defined in 12 C.F.R. § 3.2(a) as the average total asset figure used for Call Report purposes minus end-of-quarter intangible assets.

Pursuant to 12 C.F.R. § 3.2(a), the Bank is required to compute and maintain its leverage ratio on the basis of average total assets.

(3) The Bank shall not declare a dividend without the prior written determination of no supervisory objection by the Assistant Deputy Comptroller. Dividends declared strictly for debt service requirements do not require the determination of no supervisory objection by the Assistant Deputy Comptroller as long as the aforementioned minimum capital ratios are maintained.

ARTICLE VIII

CLOSING

(1) Although the Board has agreed to submit certain programs and reports to the Assistant Deputy Comptroller for review or prior written determination of no supervisory objection, the Board has the ultimate responsibility for proper and sound management of the Bank.

(2) It is expressly and clearly understood that if, at any time, the Comptroller deems it appropriate in fulfilling the responsibilities placed upon him/her by the several laws of the United States of America to undertake any action affecting the Bank, nothing in this Agreement shall in any way inhibit, estop, bar, or otherwise prevent the Comptroller from so doing.

(3) Any time limitations imposed by this Agreement shall begin to run from the effective date of this Agreement. Such time requirements may be extended in writing by the Assistant Deputy Comptroller for good cause upon written application by the Board.

(4) The provisions of this Agreement shall be effective upon execution by the parties hereto and its provisions shall continue in full force and effect unless or until such provisions are amended in writing by mutual consent of the parties to the Agreement or excepted, waived, or terminated in writing by the Comptroller.

(5) In each instance in this Agreement in which the Board is required to ensure adherence to, and undertake to perform certain obligations of the Bank, it is intended to mean that the Board shall:

- (a) authorize and adopt such actions on behalf of the Bank as may be necessary for the Bank to perform its obligations and undertakings under the terms of this Agreement;
- (b) require the timely reporting by Bank management of such actions directed by the Board to be taken under the terms of this Agreement;
- (c) follow-up on any non-compliance with such actions in a timely and appropriate manner; and
- (d) require corrective action be taken in a timely manner of any non-compliance with such actions.

(6) This Agreement is intended to be, and shall be construed to be, a supervisory “written agreement entered into with the agency” as contemplated by 12 U.S.C. § 1818(b)(1), and expressly does not form, and may not be construed to form, a contract binding on the Comptroller or the United States. Notwithstanding the absence of mutuality of obligation, or of consideration, or of a contract, the Comptroller may enforce any of the commitments or obligations herein undertaken by the Bank under his supervisory powers, including 12 U.S.C. § 1818(b)(1), and not as a matter of contract law. The Bank expressly acknowledges that neither the Bank nor the Comptroller has any intention to enter into a contract. The Bank also expressly acknowledges that no officer or employee of the Office of the Comptroller of the Currency has statutory or other authority to bind the United States, the U.S. Treasury Department, the Comptroller, or any other federal bank regulatory agency or entity, or any officer or employee of

any of those entities to a contract affecting the Comptroller's exercise of his supervisory responsibilities. The terms of this Agreement, including this paragraph, are not subject to amendment or modification by any extraneous expression, prior agreements or prior arrangements between the parties, whether oral or written.

IN TESTIMONY WHEREOF, the undersigned, authorized by the Comptroller, has hereunto set his hand on behalf of the Comptroller.
