CRITICIZED ASSETS

(1) The Bank shall take immediate and continuing action to protect its interest in those assets criticized in the ROE, in any subsequent Report of Examination, by internal or external loan review, or in any list provided to management by the National Bank Examiners during any examination.

(2) Within ninety (90) days, the Board shall adopt, implement, and thereafter ensure Bank adherence to a written program designed to eliminate the basis of criticism of assets criticized in the ROE, in any subsequent Report of Examination, or by any internal or external loan review, or in any list provided to management by the National Bank Examiners during any examination as "doubtful," "substandard," or "special mention." This program shall include, at a minimum:

(6) A copy of each review shall be forwarded to the Assistant Deputy Comptroller on a quarterly basis (in a format similar to Appendix A, attached hereto).

(7) The Bank may extend credit, directly or indirectly, including renewals, extensions or capitalization of accrued interest, to a borrower whose loans or other extensions of credit are criticized in the ROE, in any subsequent Report of Examination, in any internal or external loan review, or in any list provided to management by the National Bank Examiners during any examination and whose aggregate loans or other extensions exceed five hundred thousand (\$500,000) only if each of the following conditions is met:

- (a) the Board or designated committee finds that the extension of additional credit is necessary to promote the best interests of the Bank and that prior to renewing, extending or capitalizing any additional credit, a majority of the full Board (or designated committee) approves the credit extension and records, in writing, why such extension is necessary to promote the best interests of the Bank; and
- (b) a comparison to the written program adopted pursuant to this Article shows that the Board's formal plan to collect or strengthen the criticized asset will not be compromised.

ARTICLE VI

STRATEGIC PLAN

(1) Within ninety (90) days, the Board shall adopt, implement, and thereafter ensure Bank adherence to a written strategic plan for the Bank covering at least a three-year period. The strategic plan shall establish objectives for the Bank's overall risk profile, earnings performance, growth, balance sheet mix, off-balance sheet activities, liability structure, capital adequacy, reduction in the volume of nonperforming assets, product line development and market segments that the Bank intends to promote or develop, together with strategies to achieve those objectives and, at a minimum, include:

(2) Upon adoption, a copy of the plan shall be forwarded to the Assistant Deputy Comptroller for review and prior written determination of no supervisory objection. Upon receiving a determination of no supervisory objection from the Assistant Deputy Comptroller, the Bank shall implement and adhere to the strategic plan.

(3) The Bank must give the Assistant Deputy Comptroller at least sixty (60) days' advance, written notice of its intent to deviate significantly from the strategic plan.

- (a) For purposes of this Article, changes that may constitute a significant deviation from the strategic plan include, but are not limited to, any significant deviations from marketing strategies, marketing partners, acquisition channels; underwriting practices and standards, account management strategies and test programs; collection strategies, partners or operations; fee structure, pricing, or fee application methods; accounting processes and practices; funding strategy; loan growth projections; or any other changes in personnel, operations or external factors that may have a material impact on the Bank's operations or financial performance.
- (b) Prior to making any changes that significantly deviate from the Bank's strategic plan, the Board shall perform an evaluation of the adequacy of the Bank's organizational structure, staffing, management information systems, internal controls and written policies and procedures to identify, measure, monitor, and control the risks associated with the product or service. The evaluation shall include an assessment of the impact of such change on the Bank's condition, including a profitability analysis.

ARTICLE VII

CLOSING

(1) Although the Board has agreed to submit certain programs and reports to the Assistant Deputy Comptroller for review or prior written determination of no supervisory objection, the Board has the ultimate responsibility for proper and sound management of the Bank.

(2) It is expressly and clearly understood that if, at any time, the Comptroller deems it appropriate in fulfilling the responsibilities placed upon him/her by the several laws of the United States of America to undertake any action affecting the Bank, nothing in this Agreement shall in any way inhibit, estop, bar, or otherwise prevent the Comptroller from so doing.

(3) Any time limitations imposed by this Agreement shall begin to run from the effective date of this Agreement. Such time requirements may be extended in writing by the Assistant Deputy Comptroller for good cause upon written application by the Board.

(4) The provisions of this Agreement shall be effective upon execution by the parties hereto and its provisions shall continue in full force and effect unless or until such provisions are amended in writing by mutual consent of the parties to the Agreement or excepted, waived, or terminated in writing by the Comptroller.

(5) In each instance in this Agreement in which the Board is required to ensure adherence to, and undertake to perform certain obligations of the Bank, it is intended to mean that the Board shall:

- (a) authorize and adopt such actions on behalf of the Bank as may be necessary for the Bank to perform its obligations and undertakings under the terms of this Agreement;
- (b) require the timely reporting by Bank management of such actions directed by the Board to be taken under the terms of this Agreement;
- (c) follow-up on any non-compliance with such actions in a timely and appropriate manner; and
- (d) require corrective action be taken in a timely manner of any non-compliance with such actions.

(6) This Agreement is intended to be, and shall be construed to be, a supervisory “written agreement entered into with the agency” as contemplated by 12 U.S.C. § 1818(b)(1), and expressly does not form, and may not be construed to form, a contract binding on the Comptroller or the United States. Notwithstanding the absence of mutuality of obligation, or of consideration, or of a contract, the Comptroller may enforce any of the commitments or obligations herein undertaken by the Bank under his supervisory powers, including 12 U.S.C. § 1818(b)(1), and not as a matter of contract law. The Bank expressly acknowledges that neither the Bank nor the Comptroller has any intention to enter into a contract. The Bank also expressly acknowledges that no officer or employee of the Office of the Comptroller of the Currency has statutory or other authority to bind the United States, the U.S. Treasury Department, the Comptroller, or any other federal bank regulatory agency or entity, or any officer or employee of any of those entities to a contract affecting the Comptroller’s exercise of his supervisory responsibilities. The terms of this Agreement, including this paragraph, are not subject to amendment or modification by any extraneous expression, prior agreements or prior arrangements between the parties, whether oral or written.
