(3) The Board shall ensure that future concentrations of credit are subjected to the analysis required by subparagraph (b) and that the analysis demonstrate that the concentration will not subject the Bank to undue credit or interest rate risk.

(4) The Board shall forward a copy of any analysis performed on existing or potential concentrations of credit to the Assistant Deputy Comptroller immediately following the review.

(5) The Board shall ensure that the Bank has processes, personnel, and control systems to ensure implementation of and adherence to the program developed pursuant to this Article.

ARTICLE VI

CRITICIZED ASSETS

(1) The Bank shall take immediate and continuing action to protect its interest in those assets criticized in the ROE, in any subsequent Report of Examination, by internal or external loan review, or in any list provided to management by the National Bank Examiners during any examination.

(2) Within ninety (90) days, the Board shall adopt, implement, and thereafter ensure Bank adherence to a written program designed to eliminate the basis of criticism of assets criticized in the ROE, in any subsequent Report of Examination, or by any internal or external

loan review, or in any list provided to management by the National Bank Examiners during any examination as "doubtful," "substandard," or "special mention." This program shall include, at a minimum:

- (a) an identification of the expected sources of repayment;

(4) The Board shall ensure that the Bank has processes, personnel, and control systems to ensure implementation of and adherence to the program developed pursuant to this Article.

(5) The Board, or a designated committee, shall conduct a review, on at least a quarterly basis, to determine:

- (i) the status of each criticized asset or criticized portion thereof that equals or exceeds five hundred thousand dollars (\$500,000);
- (ii) management's adherence to the program adopted pursuant to this Article;
- (iii) the status and effectiveness of the written program; and
- (iv) the need to revise the program or take alternative action.

(6) A copy of each review conducted according to paragraph (5) shall be forwarded to the Assistant Deputy Comptroller on a quarterly basis.

(7) The Bank may extend credit, directly or indirectly, including renewals, extensions or capitalization of accrued interest, to a borrower whose loans or other extensions of credit are criticized in the ROE, in any subsequent Report of Examination, in any internal or external loan review, or in any list provided to management by the National Bank Examiners during any examination and whose aggregate loans or other extensions exceed five hundred thousand (\$500,000) only if each of the following conditions is met:

the Board or designated committee finds that the extension of additional credit is necessary to promote the best interests of the Bank and that prior to renewing, extending or capitalizing any additional credit, a majority of the full Board (or designated committee) approves the credit extension and records, in writing, why such extension is necessary to promote the best interests of the Bank; and a comparison to the written program adopted pursuant to this Article shows that the Board's formal plan to collect or strengthen the criticized asset will not be compromised.

(8) A copy of any approval of the Board or of the designated committee described in paragraph (7) shall be maintained in the file of the affected borrower.

ARTICLE VII

CREDIT AND COLLATERAL EXCEPTIONS

(1) Within one hundred twenty (120) days, the Board shall obtain current and satisfactory credit information on all loans lacking such information, including those listed in the ROE, in any subsequent Report of Examination, in any internal or external loan review, or in any listings

(2) Within one hundred twenty (120) days the Board shall ensure proper collateral documentation is maintained on all loans and correct each collateral exception listed in the ROE, in any subsequent Report of Examination, in any internal or external loan review, or in any listings of loans lacking such information provided to management by the National Bank Examiners at the conclusion of an examination.

(3) Effective immediately, the Bank may grant, extend, renew, alter or restructure any loan or other extension of credit only after:

- (c) structuring the repayment terms to coincide with the expected source of repayment;
- (d) obtaining and analyzing current and satisfactory credit information, including cash flow analysis, where loans are to be repaid from operations; and
- (e) documenting, with adequate supporting material, the value of collateral and properly perfecting the Bank's lien on it where applicable.

(4) Failure to obtain the information in (3)(d) shall require a majority of the full Board (or a delegated committee thereof) to certify in writing the specific reasons why obtaining and analyzing the information in (3)(d) would be detrimental to the best interests of the Bank. A copy of the Board certification shall be maintained in the credit file of the affected borrower(s). The certification will be reviewed by this Office in subsequent examinations of the Bank.

ARTICLE VIII

OTHER REAL ESTATE OWNED - ACTION PLANS

(1) Within one hundred twenty (120) days, the Board shall adopt, implement, and thereafter ensure Bank adherence to action plans for each parcel of Other Real Estate Owned (“OREO”) to ensure that these assets are managed in accordance with 12 U.S.C. § 29 and 12 C.F.R. Part 34, Subpart E. At a minimum, the plans shall:

- (c) detail the marketing strategies for each parcel;
- (d) identify targeted time frames for disposing each parcel of OREO;

- (a) reduction of wholesale or credit sensitive liabilities and/or increase of liquid assets;
- (b) implementation of and adherence to a policy on the Bank's use of wholesale or credit sensitive liabilities, which shall include policy limitations on use of such funding no higher than those limitations presently used by the Bank;
- (c) develop and implement an effective contingency funding plan, including, but not limited to, the items discussed in the Report of Examination; and

(2) The limitation of paragraph (1) shall include the acquisition of Brokered Deposits through any transfer, purchase, or sale of assets, including Federal funds transactions.

(3) If the Bank seeks to acquire Brokered Deposits, the Board shall apply to the Assistant Deputy Comptroller for written permission. Such application shall contain, at a minimum, the following:

- (d) the reasons why the Bank believes that the acceptance of the Brokered Deposits does not constitute an unsafe and unsound practice in its particular circumstances.
- (e) The Assistant Deputy Comptroller may require the submission of such additional information as necessary to make an informed decision. Upon consideration of the Bank's application, the Assistant Deputy Comptroller will determine whether the proposed acquisition of Brokered Deposits may be accomplished in a safe and sound manner and may condition the Bank's acquisition as the Assistant Deputy Comptroller shall deem appropriate.
- (f) Nothing in this article shall relieve the Bank of its obligation under 12 U.S.C. § 1831f to seek necessary approvals from the Federal Deposit

Insurance Corporation before accepting Brokered Deposits and to comply with all the requirements of 12 U.S.C. § 1831f.

ARTICLE XI

INTEREST RATE RISK POLICY

(1) Within one hundred twenty (120) days, the Board shall adopt, implement, and thereafter ensure Bank adherence to a written interest rate risk policy. In formulating this policy, the Board shall refer to the “Interest Rate Risk” booklet of the Comptroller’s Handbook. ARTICLE XII

CLOSING

(1) Although the Board has agreed to submit certain programs and reports to the Assistant Deputy Comptroller for review or prior written determination of no supervisory objection, the Board has the ultimate responsibility for proper and sound management of the Bank.

(2) It is expressly and clearly understood that if, at any time, the Comptroller deems it appropriate in fulfilling the responsibilities placed upon him/her by the several laws of the United States of America to undertake any action affecting the Bank, nothing in this Agreement shall in any way inhibit, estop, bar, or otherwise prevent the Comptroller from so doing.

(3) Any time limitations imposed by this Agreement shall begin to run from the effective date of this Agreement. Such time requirements may be extended in writing by the Assistant Deputy Comptroller for good cause upon written application by the Board.

(4) The provisions of this Agreement shall be effective upon execution by the parties hereto and its provisions shall continue in full force and effect unless or until such provisions are amended in writing by mutual consent of the parties to the Agreement or excepted, waived, or terminated in writing by the Comptroller.

(5) In each instance in this Agreement in which the Board is required to ensure adherence to, and undertake to perform certain obligations of the Bank, it is intended to mean that the Board shall:

- (a) authorize and adopt such actions on behalf of the Bank as may be necessary for the Bank to perform its obligations and undertakings under the terms of this Agreement;

- (b) require the timely reporting by Bank management of such actions directed by the Board to be taken under the terms of this Agreement;
- (c) follow-up on any non-compliance with such actions in a timely and appropriate manner; and
- (d) require corrective action be taken in a timely manner of any non-compliance with such actions.

(6) This Agreement is intended to be, and shall be construed to be, a supervisory “written agreement entered into with the agency” as contemplated by 12 U.S.C. § 1818(b)(1), and expressly does not form, and may not be construed to form, a contract binding on the Comptroller or the United States. Notwithstanding the absence of mutuality of obligation, or of consideration, or of a contract, the Comptroller may enforce any of the commitments or obligations herein undertaken by the Bank under his supervisory powers, including 12 U.S.C. § 1818(b)(1), and not as a matter of contract law. The Bank expressly acknowledges that neither the Bank nor the Comptroller has any intention to enter into a contract. The Bank also expressly acknowledges that no officer or employee of the Office of the Comptroller of the Currency has statutory or other authority to bind the United States, the U.S. Treasury Department, the Comptroller, or any other federal bank regulatory agency or entity, or any officer or employee of any of those entities to a contract affecting the Comptroller’s exercise of his supervisory responsibilities.

(7) The terms of this Agreement, including this paragraph, are not subject to amendment or modification by any extraneous expression, prior agreements or prior arrangements between the parties, whether oral or written.
