(6) The Bank may not initiate any action that deviates significantly from the Board-approved Strategic Plan without a written determination of no supervisory objection from the Director. The Board must give the Director advance, written notice of its intent to deviate significantly from the Strategic Plan, along with an assessment of the impact of such change on the Bank's condition, including a profitability analysis and an evaluation of the adequacy of the Bank's organizational structure, staffing, management information systems, internal controls, and written policies and procedures to identify, measure, monitor, and control the risks associated with the change in the Strategic Plan.

(7) For the purposes of this Article, changes that may constitute a significant deviation from the Strategic Plan include, but are not limited to, a change in the Bank's marketing strategies, marketing partners, underwriting practices and standards, credit administration, account management, collection strategies or operations, fee structure or pricing, accounting processes and practices, or funding strategy, any of which, alone or in aggregate, may have a material impact on the Bank's operations or financial performance; or any other changes in personnel, operations, or external factors that may have a material impact on the Bank's operations or financial performance. (2) Within ninety (90) days, the Board shall forward to the Director for his review, pursuant to paragraph (4) of this Article, a written revised Capital Plan for the Bank, covering at least a three-year period. - (3) The Bank may pay a dividend or make a capital distribution only:
- (a) when the Bank is in compliance with its approved Capital Plan and would remain in compliance with its approved Capital Plan immediately following the payment of any dividend;
 - (b) when the Bank is in compliance with 12 U.S.C. §§ 56 and 60; and
 - (c) following the prior written determination of no supervisory objection by the Director.
- (4) Prior to adoption by the Board, a copy of the revised Capital Plan shall be submitted to the Director for a prior written determination of no supervisory objection. Upon receiving a written determination of no supervisory objection from the Director, the Board shall adopt and the Bank shall immediately implement and adhere to the Capital Plan. The Board shall review and update the Bank's Capital Plan at least annually and more frequently if

necessary or if requested by the Director. Revisions to the Bank's Capital Plan shall be submitted to the Director for a prior written determination of no supervisory objection.

(5) If the Bank fails to submit an acceptable Capital Plan as required by paragraph (2) of this Article, fails to implement or adhere to a Capital Plan to which the Director has taken no supervisory objection pursuant to paragraph (4) of this Article, or fails to achieve and maintain the minimum capital ratios as required by paragraph (1) of this Article; then in the sole discretion of the Director, the Bank shall, upon direction of the Director, within thirty (30) days develop and shall submit to the Director for his review and prior written determination of no supervisory objection a Disposition Plan that shall detail the Board's proposal to sell or merge the Bank, or liquidate the Bank under 12 U.S.C. § 181.

If the Disposition Plan outlines a liquidation of the Bank, the Disposition Plan shall detail the actions and steps necessary to accomplish the liquidation in conformance with 12 U.S.C. §§ 181 and 182, and the dates by which each step of the liquidation shall be completed, including the date by which the Bank will terminate the national bank charter. In the event of liquidation, the Bank shall hold a shareholder vote, pursuant to 12 U.S.C. § 181, and commence liquidation within thirty (30) days of receiving the Director's written determination of no supervisory objection to the Disposition Plan.

(7) After the Director has advised the Bank in writing that he does not take supervisory objection to the Disposition Plan, the Board shall immediately adopt and implement, and shall thereafter ensure adherence to, the terms of the Disposition Plan. Failure to submit a

timely, acceptable Disposition Plan, or failure to implement and adhere to the Disposition Plan after the Board obtains a written determination of no supervisory objection from the Director, may be deemed a violation of this Order, in the exercise of the Director's sole discretion.

(2) Within ninety (90) days, the Board (with the exception of any Bank executive officers) shall prepare a written assessment of the capabilities of the Bank's executive officers to perform present and anticipated duties, taking into account the findings contained in the most recent Report of Examination, and factoring in the officer's past actual performance, experience, and qualifications, compared to their position description, duties and responsibilities, with particular emphasis on their proposed responsibilities to execute the Strategic Plan and correct the concerns raised in the most recent Report of Examination. Upon completion, a copy of the written program shall be submitted to the Director.

(4) If the Board determines that an officer will not continue in his/her position, the Board shall document the reasons for this decision in its assessment performed pursuant to

paragraph (2) of this Article, and shall within sixty (60) days of such vacancy identify and provide notice to the Director, pursuant to paragraph (5) of this Article, of a qualified and capable candidate for the vacant position who shall be vested with sufficient executive authority to ensure the Bank's compliance with this Order and the safe and sound operation of functions within the scope of that position's responsibility.

(1) Within thirty (30) days, the Board shall adopt and the Bank (subject to Board review and ongoing monitoring) shall implement and thereafter ensure adherence to a written program designed to protect the Bank's interest in those assets criticized in the most recent Report of Examination ("ROE"), in any subsequent ROE, by any internal or external loan review, or in any list provided to management by the National Bank Examiners during any examination as "doubtful," "substandard," or "special mention." The program shall include the development of Criticized Asset Reports ("CARs") identifying all credit relationships and other assets *totaling in aggregate* two hundred and fifty thousand dollars (\$250,000) or more, criticized as "doubtful," "substandard," or "special mention." The CARs must be updated monthly with reporting to the Board and the Directors at least quarterly. Each CAR shall cover an entire credit relationship and include, at a minimum, analysis and documentation of the following:

- (a) the Board, or a designated committee thereof, finds that the extension of additional credit is necessary to promote the best interests of the Bank and that prior to renewing, modifying or extending any additional credit, a majority of the full Board (or designated committee) approves the credit extension and records, in writing, why such extension is necessary to promote the best interests of the Bank. A copy of the findings and approval of the Board or designated committee shall be maintained in the credit file of the affected borrower and made available for review by National Bank Examiners;

- (b) the Bank performs a written credit and collateral analysis as required by paragraph (1)(d) of this Article and, if necessary, the proposed action referred to in paragraph (1)(g) of this Article is revised, as appropriate; and

ARTICLE XIV

INFORMATION TECHNOLOGY

(1) The Board shall continue to take all steps necessary to improve the management of the Bank's Information Technology ("IT") activities and to correct each deficiency cited in the most recent Report of Examination ("ROE") or any supervisory communication.

(2) The Board shall continue to develop, implement, and thereafter adhere to a written, well-documented, risk-based, internal information technology audit program. At a minimum, the IT audit program shall be performed by an independent and qualified party, and shall include fundamental elements of a sound audit program as described in the "Audit" booklet of the FFIEC Information Technology Examination Handbook. The scope and frequency should be risk-based and reviewed annually by the Board.

(3) The Board shall continue to develop, implement, and thereafter ensure adherence to a comprehensive, written information security program to ensure the safety and soundness of its operations and to support the Bank's efforts to comply with 12 C.F.R. (b) a process to monitor and control the identified risks, commensurate with the sensitivity of the information as well as the complexity and scope of bank activities;

(c) a test plan that provides for regular testing of key controls, systems and procedures of its information security program. The frequency and nature of such tests shall be determined by the risk assessment. Such tests shall be conducted or reviewed by independent third parties or staff independent of those who develop or maintain the information security program.

MANAGEMENT INFORMATION SYSTEMS

(1) The Board shall continue to develop, implement, and thereafter ensure Bank adherence to a written program establishing an effective management information system (MIS) which facilitates risk identification, establishes controls, and delivers accurate information for timely review. In so doing, the Board shall identify the Bank's specific information requirements

and establish effective reporting mechanisms to guide decisions. The program shall include procedures for:

- (a) expediting the timely delivery of current information;
- (b) establishing controls to ensure the accuracy and confidentiality of information;
- (c) ensuring that data are processed and compiled uniformly to facilitate meaningful trend analysis, and provide for future systems changes;
- (d) producing complete and relevant information in a summarized form, for Board and management reports, to permit effective decision making;
- (e) identifying, recording, and tracking missing, incomplete, or imperfect loan and collateral documentation, including lacking or outdated appraisals and operating statements on real estate projects;

- (i) producing the information, which is listed in the ROE, that is necessary to effectively supervise the credit portfolio.

(2) As part of the Board's ongoing responsibility to ensure that the Bank has an effective MIS, the Board shall continue to designate a senior officer to coordinate the execution of this program.

ARTICLE XVI

ADMINISTRATIVE APPEALS AND EXTENSIONS OF TIME

(1) If the Bank requires an extension of any timeframe within this Order, the Board shall submit a written request to the Director asking for relief. Any written requests submitted pursuant to this Article shall include a statement setting forth in detail the special circumstances that prevent the Bank from complying with a provision and that require an extension of a timeframe within this Order.

(2) All such requests shall be accompanied by relevant supporting documentation, and any other facts upon which the Bank relies. The Director's decision concerning a request is final and not subject to further review.

ARTICLE XVII

OTHER PROVISIONS

(1) Although the Bank is required to submit certain proposed actions and programs for the review or prior written determination of no supervisory objection of the Director, the Board has the ultimate responsibility for proper and sound management of the Bank and the completeness and accuracy of the Bank's books and records.

(2) It is expressly and clearly understood that if, at any time, the Comptroller deems it appropriate in fulfilling the responsibilities placed upon him by the several laws of the United States of America to undertake any action affecting the Bank, nothing in this Order shall in any way inhibit, estop, bar, or otherwise prevent the Comptroller from so doing.

(3) Except as otherwise expressly provided herein, any time limitations imposed by this Order shall begin to run from the effective date of this Order.

(4) The provisions of this Order are effective upon issuance of this Order by the Comptroller, through his authorized representative whose signature appears below, and shall

remain effective and enforceable, except to the extent that, and until such time as, any provisions of this Order shall have been amended, suspended, waived, or terminated in writing by the Comptroller.

(5) In each instance in this Order in which the Bank and/or the Board is required to take action, the Board shall, at a minimum:

- (a) authorize and direct measures necessary to take the required action;
- (b) require Bank management to make timely reports to the Board on the status of, and compliance with, the required action; and
- (c) take appropriate corrective measures for any failure to carry out the required action.

(6) This Order is intended to be, and shall be construed to be, a final order issued pursuant to 12 U.S.C. § 1818, and expressly does not form, and may not be construed to form, a contract binding on the Comptroller or the United States.

(7) The Bank entered into a Formal Agreement dated September 30, 2008. This Order replaces the Formal Agreement in its entirety and therefore, the September 30, 2008 Formal Agreement is hereby terminated.

(8) The terms of this Order, including this paragraph, are not subject to amendment or modification by any extraneous expression, prior agreements, or prior arrangements between the parties, whether oral or written.

IT IS SO ORDERED, this 4th day of November, 2009.
