**CONSENT ORDER**

**WHEREAS**, the Office of the Comptroller of the Currency (“OCC”) has supervisory authority over Bank of America, N.A., Charlotte, North Carolina (“Bank”);

**WHEREAS**, the OCC intends to initiate cease and desist proceedings against the Bank pursuant to 12 U.S.C. § 1818(b), through the issuance of a Notice of Charges, related to: (1) the administration of the Bank’s prepaid cards for unemployment benefits, specifically engagement in (i) unsafe or unsound practice(s), including deficiencies in its risk management, operational processes and controls, internal audit, and investigation and resolution of consumer claims of unauthorized transactions; and (ii) unfair and deceptive practices in violation(s) of Section 5 of the Federal Trade Commission Act (“FTC Act”), 15 U.S.C. § 45(a)(1); and (2) engaging in unsafe or unsound practices related to deficiencies in its enterprise-wide complaints risk management framework;

**WHEREAS**, in the interest of cooperation and to avoid additional costs associated with administrative and judicial proceedings with respect to the above matter, the Bank, by and through its duly elected and acting Board of Directors (“Board”), consents to the issuance of this Consent Order (“Order”), by the OCC through the duly authorized representative of the Comptroller of the Currency (“Comptroller”); and

**NOW, THEREFORE**, pursuant to the authority vested in the OCC by Section 8(b) of

the Federal Deposit Insurance Act, as amended, 12 U.S.C. § 1818(b), the OCC hereby orders that:

## **ARTICLE I**

### **JURISDICTION**

(1) The Bank is an “insured depository institution” as that term is defined in 12 U.S.C. § 1813(c)(2).

(2) The Bank is a national banking association within the meaning of 12 U.S.C. § 1813(q)(1)(A), and is chartered and examined by the OCC. *See* 12 U.S.C. § 1 *et seq.*

(3) The OCC is the “appropriate Federal banking agency” as that term is defined in 12 U.S.C. § 1813(q) and is therefore authorized to initiate and maintain this cease and desist action against the Bank pursuant to 12 U.S.C. § 1818(b).

## **ARTICLE II**

### **COMPTROLLER’S FINDINGS**

The Comptroller finds, and the Bank neither admits nor denies, the following:

(1) For several years, the Bank issued and administered prepaid debit cards to distribute unemployment insurance benefits (“UI Prepaid Cards”) to consumers that were loaded with benefit funds issued by certain states, hereinafter referred to as the Unemployment Benefits Prepaid Card Program (“Program”).

(2) In March 2020, millions became unemployed and Congress enacted the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”), which created the new Pandemic Unemployment Assistance (“PUA”) benefit. The CARES Act and PUA expanded unemployment benefits eligibility and provided greater benefit amounts than previously available. As a result, the size of the Program increased substantially (from under one million

unique cards loaded in January 2020 to over six million in July 2020), as did the volume of benefits issued by the states and loaded onto UI Prepaid Cards (from approximately \$1 billion in January 2020 to over \$27 billion in July 2020). Along with the increases in Program participants and benefits, the Program experienced an increase in fraud, including with respect to unauthorized transaction claims.

(3) The Bank failed to establish effective risk management over the Program, and, beginning in 2020, denied or delayed many consumers' access to unemployment benefits when consumers filed or attempted to file UI Prepaid Card unauthorized transaction claims.

Specifically, the Bank:

- (a) applied an automated fraud filter between September 28, 2020 and June 8, 2021 to decision UI Prepaid Card error claims that met certain criteria ("Fraud Filter") without conducting a sufficient investigation to: (i) deny many consumers' claims of unauthorized transactions on their UI Prepaid Cards, and (ii) "freeze" or "block" the UI Prepaid Card accounts associated with the claims. Consumers with frozen or blocked accounts could not access the unemployment benefits in their UI Prepaid Card accounts until the Bank removed the freeze or block.
- (b) failed to provide timely and full provisional or final credit to many consumers entitled to such credits who reported unauthorized transactions on their UI Prepaid Card accounts.
- (c) retroactively applied the Fraud Filter to many consumers' claims of unauthorized transactions on their UI Prepaid Card accounts without conducting further investigation and providing advance notice, which

incorrectly resulted in the reversal of provisional and final credits that the Bank previously provided to those consumers.

- (d) impeded many consumers' ability to regain access to their unemployment benefits through the UI Prepaid Cards and to request reconsideration of their unauthorized transaction claims as a result of operational deficiencies.
- (e) provided consumers deceptive disclosures and notices with respect to liability for unauthorized transactions, processing of unauthorized transaction claims, and account freezes and blocks.

(4) Overall, the Bank has the following deficiencies in its administration of the Program:

- (a) inadequate risk management practices in both the front-line units and independent risk management, including ineffective oversight, risk assessment, monitoring, and reporting;
- (b) inadequate internal controls, including those relating to contract management;
- (c) inadequate oversight, risk management, and monitoring of UI Prepaid Card unemployment benefits vendors ("Program Vendors"); and
- (d) inadequate oversight and coverage by the Bank's independent audit function.

(5) In addition, the Bank failed to establish an effective enterprise-wide complaints risk management framework that is commensurate with the Bank's size, complexity, and risk profile. Specifically, the complaint risk management framework lacks an effective:

- (a) process to identify, measure, manage, and report complaints;
- (b) complaint resolution process; and
- (c) quality assurance process.

(6) By reason of the deficiencies and conduct described in Paragraphs (2) through (5) of this Article, the Bank engaged in unsafe or unsound practices and engaged in unfair and deceptive practices in violation of Section 5 of the FTC Act, 15 U.S.C. § 45(a). These violations and practices support actions against the Bank under 12 U.S.C. § 1818(b) and (i)(2)(B).

(7) The Bank has begun taking corrective actions and has committed to taking necessary and appropriate steps to remedy the deficiencies identified by the OCC and to assist and remediate harmed consumers.

### **ARTICLE III**

(6) The Bank shall not take any action that will cause a significant deviation from, or

material change to, the Plans. Where the Bank makes a determination to modify the Plans, the Bank shall submit the revised Plan(s) containing the proposed modifications to the Examiner-in-Charge for prior written determination of no supervisory objection. Upon receipt of a written determination of no supervisory objection from the Examiner-in-Charge, the Board shall timely adopt the revised Plan(s) and thereafter ensure that Bank management implements and adheres to the revised Plan(s), including the timelines set forth within the revised Plan(s).
